## Join Us in Securing Spye Park's Future – New Players Needed!

Dear Friends of Spye Park,

For over 140 years, cricket has thrived at Spye Park, nestled in the heart of Wiltshire's breathtaking countryside. It has been a place of triumphs, challenges, and cherished moments—a ground where friendships are forged, sportsmanship is celebrated, and love for the game unites us all.

But as we step into the 2025 season, we face a vital challenge: **keeping the legacy alive.**

Running a club like ours takes dedication, and while a handful of passionate individuals give their all, **we need fresh faces to help Spye Park thrive.** Whether you're a seasoned cricketer or someone keen to pick up a bat for the first time, we welcome you with open arms.

Know someone who might be interested? **Encourage them to be part of this journey!**

We refuse to let this historic club fade into the past. Instead, we envision a future where cricket continues to be played with **passion, joy, and camaraderie** at Spye Park for generations to come.

So spread the word, rally your friends, and bring new energy to the field. Together, we'll **play like champions, socialise like legends, and, most importantly, never let a good tea break go to waste!**

We look forward to welcoming you this season.

Warmest regards,

**Jon Bathe**

# Paget's Produce and Spye Park CC

## In from the fields and onto the Spye outfield

Spye Park Cricket Club is delighted to continue its partnership with **Paget's Produce** as the main sponsor for our Bromham and Chittoe-based club. As we enter yet another historic season, Paget's support remains as firm as a well-struck cover drive.

Back in 2023, **evergreen Chairman Jon Bathe (now even wiser at 66 and still full of gout)** proudly announced the initial two-year deal with Bromham's finest trade vegetable grower, declaring that Spye Park and Paget's go back decades—if not centuries! A claim yet to be verified by any historians, but we'll take his word for it.

Fast forward to today, and we are still proudly sporting the **gold and green Paget's Produce logo** on our **snazzy kit**—ensuring that even if our batting doesn't dazzle, at least our shirts will. This continued support is a fantastic boost for our club, providing momentum for another competitive season, with the first team still aiming for glory and a return to the **top Wiltshire leagues**.

So, whether you're here for the cricket, the vegetables, or just to see if Jon will finally trouble the scorers, we thank Paget's Produce for keeping Spye Park CC growing strong—on and off the pitch.

**Also back in 2023**, Vice Chairman **Tom Mornement** echoed Chairman **Jon Bathe's** sentiments, personally thanking **Tim & Tom Paget** for helping push this generous sponsorship deal over the line. With his trademark wit, Tom remarked that our beloved **'bean counter'**—also known as the treasurer—couldn't be happier with the arrangement. After a few challenging seasons, **Spye Park CC has well and truly 'sprouted' back to life**, with firm 'roots' in the community and a renewed focus on **'growing' our player base**.

As always, **new players are welcome**, and we are particularly keen to recruit:

- A **fast bowler** who can 'plough' away from one end
- Some specialist **fielders** with the reflexes of a seasoned fruit picker
- A **batsman** who can 'harvest' opposition bowling attacks and pile on the runs

Winning cricket matches is the goal, and Tom remains confident that the current 'crop' of Spye batsmen will 'dig deep' to produce some serious scores this season.

He also pointed out that playing cricket at Spye Park remains **'dirt cheap'**, encouraging anyone interested to join our **friendly, social, and welcoming club**. Our 'roots' are firmly **'planted'** in the local community, and we always make sure our players are well 'fed and watered'—both figuratively and literally! With **Paget's Produce** continuing as our **main club sponsor**, the future is looking bright, green, and full of good cricket—hopefully.

Not only do we have the privilege of playing at one of the most picturesque grounds in the county, but we are also fortunate to enjoy an incredible pavilion and excellent facilities that perfectly complement the stunning setting.

We would also like to thank our sponsors and friends of Spye Park Cricket Club, whose generous contributions and unwavering support continue to sustain and strengthen the Club in so many ways.

At Spye Park Cricket Club, we warmly welcome new members, players, families, and supporters. If you would like more information, please do not hesitate to contact any of the committee.

# THE 2024 END OF SEASON AWARDS

What a **fantastic evening** at the annual Spye Park Cricket Club dinner back in November! Great food, wonderful company, plenty of laughs, and even a few *tears*—some sentimental, some just the natural consequence of enduring **Chairman Jon Bathe's** speech. (We suspect there were more tears from him than anyone else!) 🍷 🍷 🍷 🍷 🍷 🍷 🍷

Congratulations to all the award winners!

## 🏏 1st XI Player's Player of the Year – Liam Harvey

(Angry on the pitch, angrier with the ball, but really just a giant softie—think raging bull meets cuddly kitten.)

## 👤 Sunday Player of the Year – Russell Fletcher

(Still better known as 'Boat Boy,' proving you can balance cricket and the waterways like a true multitasking master!)

## 🌙 Midweek Player of the Year – Emily Fielder

(Overcoming the greatest sporting obstacle known to man—her dad Rob's coaching—to claim the award! 🏏)

## 🎯 Performance of the Season – Liam Harvey

6.3-1-27-4 v Swindon Super Strikers

(Liam's spell wasn't just impressive—it was fuelled by the fury of a highly charged, controversial clash, where Swindon faced accusations of cheating and tempers flared. Whatever the truth, one thing's certain—Liam let the ball do the talking!)

## 🦆 Duck Award – Oli Godwin (4)

(After four zeros, next season we're introducing a new incentive: **score runs, win pies**—because if there's one thing Oli likes more than getting out cheaply, it's a good snack! 😞)

## **The Lionel Perrett Club Person of the Year – Matt Preston**

(We're thrilled for Matt, despite the eerie resemblance to infamous serial killer Fred West. Good luck sleeping tonight. 😬)

## **The Neil Amor Award for Sportsmanship – Jon Bathe**

(When he's not tearing up mid-speech, Jon still manages to remind us all that cricket is about respect, integrity, and occasionally weeping at team dinners!)

A **huge** well done to all the winners, and commiserations to those who missed out—whether on trophies or just the chance to make double figures this season.

Here's to another great year ahead at **Spye Park CC!** **#UpTheSpye**

# ANNOUNCEMENTS

Exciting news again from the **Ellis dynasty**! As if Spye Park Cricket Club hadn't endured **enough Ellis-related drama**, we are now **bracing ourselves for yet another Ellis-related headline**—**James Ellis is getting married!**

James, best known for being **Simon's older (and arguably wiser) brother**, is set to **tie the knot** with **Laura** on **June 20th, 2025**.

While James has spent years **perfecting the throat-height full beamer**, he's finally decided to commit to the **most important partnership of all**—one for life! After years of **unpredictable innings**, he's finally committing to **one that will last a lifetime!** 🍷

We can only assume **Simon will take his role as Best Man seriously for once**. Not one for complicating things—much like his batting—his approach could be one of **brutal destruction**, ensuring plenty of embarrassing stories make it into his **Best Man speech** before anyone can **pad up, take guard, or pray for rain!**

A **special thanks** from **Spye Park CC** to James and Laura for **sensibly scheduling the wedding on a non-match day**—ensuring no one has to choose between wedding cake and chasing leather in the outfield!

Congratulations to **James & Laura**—may your innings together be **long, prosperous, and free from unnecessary LBWs!** 🎉

# THE SPIRIT OF CRICKET

Cricket's **unique appeal** lies not only in its Laws but in the **Spirit of the Game**, which embodies fairness, respect, and integrity. Any action that **undermines this spirit** harms the game itself.

The **responsibility for upholding fair play** rests primarily with the Captains, setting the example for their teams.

**The Spirit of the Game demands respect for:**

- Your Opponents
- Your Own Captain and Team
- The Role of the Umpires
- The Game's Traditional Values

**It is against the Spirit of the Game to:**

- **Dispute an umpire's decision** through words, actions, or gestures
- **Direct abusive language** at an opponent or umpire
- **Engage in cheating or sharp practice**, such as:
  - Appealing when knowing the batsman is not out
  - Approaching an umpire in an aggressive manner when appealing
  - Attempting to distract an opponent, either verbally or through harassment, including excessive clapping or unnecessary noise disguised as enthusiasm

## **Setting the Tone**

Captains and Umpires **together** shape the conduct and atmosphere of a cricket match.

All players have a responsibility to **uphold the spirit** of the game and contribute to its integrity.
